Get ready as Ben and Lisa's story is just beginning! Watch out for their tartan-clad vehicles driving in and around the greater Windsor area. Men in Kilts offers professional quality window cleaning, gutter cleaning, pressure washing, snow removal, and exterior home cleaning year-round to commercial and residential customers. Stay tuned for more regarding Men In Kilts, but remember... No Peeking!

Men In Kilts was started in 2002 by Nicholas Brand, the son of a Scottish immigrant, who fashioned a hand-sewn kilt and put a visual to the otherwise faceless window cleaner. By 2009, the location had grown to over one million in revenue and caught the attention of Tressa Wood, former VP of Operations from 1-800-GOT-JUNK?. Wood joined the team as CEO and began the process of franchising the company.

In January 2015, after 23 years running his own multi-million-dollar window cleaning company, Chris Carrier became Men In Kilts' newest CEO. He bleeds tartan and is excited for the opportunity to assist in growing Men In Kilts across North America. Now with 23 locations across North America, Men In Kilts continues to grow and to bring smiles to the world... One kilt at a time.
